

Specification Sheet

Part Number: 104-10000

Cordless operation means less hand strain and no cord to get in the way.

Auto calibration after every cycle means exceptionally consistent performance.

Flush cut nose piece and blade ensure clean, safe cuts.

Metabo CAS 2.0 Ah battery and charger are compatible with several other tool brands.

Procut Tool With Battery, Metal/Plastic, Blue, 1/pkg

Article Number 104-10000

Type ProCut 9

Color Blue (BU)

Quantity Per box

Product Description

The ProCut battery powered cable tie tool system automatically tensions and cuts T50-T250 and wide strap cable ties. A single pull of the trigger does all the work. Its 16 tension settings ensure precision results. Designed for professionals with an ergonomic, soft-grip handle and low-force trigger to reduce hand strain. A secondary trigger button on the rear assists in hard-to-reach applications. The ProCut can produce up to 2,000 cycles per charge utilizing the Metabo CAS battery (also used on our CPK Hybrid tool).

Short Description Procut Tool With Battery, Metal/Plastic, Blue, 1/pkg

Global Part Name ProCut 9-MET/PL-BU

Tension Setting Tools Adjustable

Power Supply CAS Lithium-Ion Battery

Material Plastic (PL) Metal (MET)

Material Shortcut MET PL

UV Resistant (Yes/No) No

Use Conditions For Indoor and Outdoor Use

Operating Temperature -40°F to +257°F (-40°C to +125°C)

Reach Compliant (Article 33) Yes

ROHS Compliant Yes

Package Quantity (Imperial) 1

Package Quantity (Metric) 1

Customs Number 8467290095
